

## ***Graduation Service for S.6 students***

As part of the Life-wide Learning lesson for the S.6 students on their last school day, a Graduation Service was held on Wednesday, 22 February 2023.

In the first part, teachers in-charge of public exam, life and careers planning, student guidance, and social worker gave students reminders in their respective areas. In the second part, Revd. Cora Ip, the priest-in-charge of HKSKH Holy Wisdom Church, officiated at the service and prayed for our S.6 students.

Each S.6 student was given a small souvenir prepared by the school, and a piece of wooden plate with words of encouragement and blessing written on by their fellow schoolmates. We wish our S.6 students every success in the upcoming DSE examinations.
