

English Week: Celebrating Diversity and Language Learning

English Week was a highly successful event that took place at our school from 27th to 31st March 2023. Students participated in a range of exciting workshops and activities designed to improve their English language skills and broaden their cultural horizons.

Global Immersion Day on March 27th and 30th was a highlight, with workshops and activities including cricket, henna art, Hungarian traditional dance, piñata making, and Russian culture and language. The Book Fair on March 28th and 29th was another popular event, with a wide range of books for students to browse and purchase. Finally, the storytelling competition on March 31st was a hit with secondary 1 and 2 students, who showcased their creative skills and English storytelling abilities.

Overall, English Week was an unforgettable experience, and was a true celebration of language, culture, and learning.
